## ABOUT ME

My name is Yusuff Waris Olorunjueda, I'm a Frontend web developer from Nigeria, West Africa.

## CAREER OBJECTIVES

I always look for opportunities to advance my skills both academically and in workforce through professional experience such as Internship, Research project and job opportunities.

To date, I possess extensive work experience in web development using industry standard stacks and frameworks such React.js, HTML, CSS. I will contribute positively to any place I find myself, one of my objectives is to secure a position in a dynamic organization where I can use my skills and knowledge to develop my career as well as help the company grow. I love and welcome creative challenges.
